The Financial Fitness Group provides independent, unbiased, and accurate financial information and education to thousands of companies, state governments, and educational institutions. Our accurate, reliable, and unbiased content has helped educate more than 4 million people of all ages and knowledge levels. Where appropriate, our content has been developed to be FINRA-compliant and in accordance with all relevant regulatory organizations.

Developed with an effective and engaging voice, the Financial Fitness Group's content offers more than 500 interactive tutorials on a wide range of topics. From the basics of personal finance to understanding how to save, invest, or deal with complicated questions about retirement planning, estate planning, or optimizing your investments. The Financial Fitness Group makes learning the language of money simple, effective, engaging, and fun.

Our 10-to-20-minute interactive tutorials begin with a short quiz to help you assess your knowledge about a specific topic then walk you through a step-by-step guide to teach you the key things you should know about the topic of your choice. Whether you are interested in learning to build or improve your credit, buy or lease a car, or how best to analyze investment options, our short interactive tutorial format helps you get the knowledge you need and empowers you to make informed decisions about virtually any personal finance topic.
